REGARDING ONLINE PAYMENT PORTAL

1. It is learnt that while submitting online application, some candidates, who have made payment through “**Payment Gateway**” are getting message on application portal as “**Payment not Received**”. This issue is mainly due to some technical issue of Bank. In order to resolve the issue a new interface has been developed in Recruitment Portal, for the use of the candidates concerned.
2. In such cases, the candidates are required to enter payment transaction details manually by using the link “**Fill Payment Details**”.
3. After submitting payment transactions manually using the aforesaid link, the candidate shall get the status of his/ her application as “**Submitted**”. However, such application(s) shall be considered for further processing from our end only after confirming the actual payment received from the candidates.
4. The aforesaid interface (link) is exclusively for those candidates whose application fee has been deducted but the application status is shown as “**Payment Not Received**”.
